HUMAN SERVICES

Helping others

Are you empathetic, a good communicator, compassionate and enjoy caring for others? Human Services could be for you!!

Healthcare industry

Do you want to work in the Healthcare Industry? A great way to gain experience to start your career - further your skills after school to become an enrolled nurse, registered nurse or paramedic.

Nursing

Learn the practical skills of nursing such as taking blood pressures, monitoring blood sugar levels, attending to wounds and assessing oxygen levels.

Manual handling

Develop skills in manual handling using industry standard equipment such as lift hoists and slide sheets.
