# **PRINTMAKING**

## **Create**

Successful people in any field are those who can think creatively. Creative thinking develops the brain to think outside the box. We need a workforce that is knowledgeable, imaginative and innovative.

## **Innovate**

Employers value employees who use their initiative to innovate and problem solve. This practical course nurtures the development of these skills.

## **Translate**

Printmaking is a flexible course structured to further visual design skills used in range of industries. This course caters to your needs, ideas, interests and goals. It's all about you!

## **Relate**

Communicate ideas visually. Collaborate with others. Develop your resilience and time management skills. Success is not coming to you, you must come to it!
