Senior Technical College

Find where you

Belong...

TOURISM, TRAVEL & EVENTS

Planning and organising

If you like planning and organising, and have an interest in travel and events, then this course will help you develop the skills you'll need to make it happen.

Cultural exposure

Study exciting destinations, understand different cultures, be introduced to amazing natural and man-made attractions.

Travel and events

Learn the skills required to organise holidays, coordinate an event, take a group on tour or manage reception in a resort. Does this sound like you...?

Around the world

Get ahead of the rest and develop skills, and gain knowledge, that will open up a career that can take you around the world or around our region.
