Duration 2 years

Unit Value 1 unit

Recognition Nationally recognised AQF
Training Qualification

Workplacement Mandatory

As a Catholic school, Newman Senior Technical College places the highest level of importance on the holistic development of each student. We consider a knowledge and functional understanding of ethics and ethical behaviour to be the cornerstone of human well-being. We aim to assist our students to become informed, well-adjusted and productive members of the wider community through the close examination of personal values and individual morality.

Students will engage in volunteering and community service throughout their time at Newman. Students will have the opportunity in our Catholic Faith in Action course to gain a Certificate II in Active Volunteering

Topics studied as part of this course include...

- Spirituality
- Service
- Social Responsibility
- Contribution to Society
- Living Well
- Understanding Others
- Ethics
- Values
